Senior Advantage Coordinator

Hello again everyone.

Well, at last summer is here. This is my favorite time of the year. I love to be outside in the sun and water. There is also a lot going on at this time, which I enjoy. Bar-b-ques, swimming, float trips, concerts, etc.

August will mark one full year of my new job as Senior Advantage Director and I have to say, it has been a really fun year. I have met a lot of wonderful people and made many new friends. I knew coming into this job that it would not be easy, but I am definitely up to the challenge. I want this to be a really great club. So, if you have any suggestions on places you would like to go or things you would like to see, please feel free to contact me at any time.

Thank you for being a part of Senior Advantage and choosing Bank of Washington for your banking needs. We appreciate your business.

I look forward to this next year with Senior Advantage and everyone who is a part of it.

Take care until next time,

*Lisa*
