

CONSUMER MOBILE BANKING TERMS AND CONDITIONS

Thank you for using Mobile Banking ("Services") and any related Software ("Software") provided by **Bank of Washington** ("Financial Institution") combined with your handheld's text messaging capabilities. By participating in the Services or using the Software, you are agreeing to the following terms and conditions, in addition to any terms and conditions to which you have previously agreed with respect to the underlying electronic banking and bill pay services of which the Service is a part. Financial Institution in its discretion may modify these Terms and Conditions at any time. **Standard messaging charges apply.**

Terms and Conditions:

Text Banking & Alerts:

- a) Program: Financial Institution offers their customers mobile access to their account information (e.g., for checking balances and last transactions) over the Short Message Service (SMS), as well as the option to set up alerts for their accounts (e.g., low balance alerts). Enrollment requires identification of the user's banking relationship with Financial Institution as well as providing a mobile phone number. The mobile phone number's verification is done by the user receiving an SMS message with a verification code which they will have to enter on the website. Additionally, customers may select the type of alerts and other preferences which will determine, together with their account data, the frequency of alerts delivered to the customer. This program will be ongoing. Standard messaging charges apply. Customers will be allowed to opt out of this program at any time.
- b) Questions: You can contact us at "www.bankofwashington.com" or [636-239-7831], or send a text message with the word "HELP" to this number: [96924]. We can answer any questions you have about the program.
- c) To stop the program: To stop the messages from coming to your phone, you can opt out of the program via SMS. Just send a text that says "STOP" to this number: 96924. You'll receive a one-time opt-out confirmation text message. After that, you will not receive any future messages.
- d) The Services and/or Software may not be available at any time for any reason outside of the reasonable control of Financial Institution or any service provider

Consumer Mobile Banking – Consumer Mobile Banking is available to customers enrolled in online banking. The service requires a mobile device with a valid phone number. Mobile Banking services may be delivered via 1) SMS text messages, 2) a WAP browser with a communication to the internet, or 3) the Bank of Washington downloadable App through the App Store, Google Play or the Amazon Marketplace stores. Customers will enroll by choosing the 'Options' menu located within consumer online banking site or download the app directly from their respective store and confirming their online banking access ID and Password. Customers who use the Application or the WAP browser will input their online banking Password each time the mobile site is accessed.

Once the enrollment has been complete customers can either send a SMS text message that includes a command (Bal, Hist, ATM, Branch or Both) to 96924 and a response will be sent via SMS message. With the WAP browser or downloadable app, customers can locate Bank of Washington ATMs and branches, view balances and transactions, transfer funds, and pay bills (customers must be enrolled into CheckFree online bill payment service to pay bills via mobile device).

You may transmit Images to us only from a Capture Device located in the United States.
2. **Hardware and Software Requirements.** You agree to transmit an Image to us using a mobile device compatible to the Bank of Washington's mobile app. You are responsible for the security of the Capture Device, and for allowing its use only by individuals authorized by you. You agree that all images and files transmitted to us through the Service will contain no viruses or any other disabling features that may have an adverse impact on our network, data, or related systems. You agree to implement and maintain specific internal security controls to protect the Capture Device and customer information. We may require that you implement and maintain additional specific controls, and we may notify you of those controls and amend them from time to time. You are responsible for all costs of using the Service and operating the Capture Device, including, but not limited to telephone and internet service charges. You are responsible for maintaining the system's capacity and connectivity required for use of the Service, which we may amend from time to time.
3. **Image Quality.** The image of an item transmitted to the Bank using the Services must be legible and contain images of the front and back of the Check. The image quality of the items must comply with the requirements established from time to time by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association. These requirements include, but are not limited to, ensuring the following information can clearly be read and understood by sight review of the Check image: the amount of the Check (both written and numeric); the payee; the signature of the drawer (maker); the date; the Check number; the information identifying the drawer and the paying financial institution that is preprinted on the Check including the MICR line; and all other information placed on the Check prior to the time of an image of the Check is captured (such as any required identification written on the front of the Check and any endorsements applied to the back of the Check).
4. **Processing Images.** You authorize us to process any Image that you send us or convert an Image to an Image Replacement Document. You authorize us and any other bank to which an Image is sent to handle the Image or IRD. We reserve the right to reject and to refuse to process any Image you send to us for any reason or no reason, without prior notice to you.
5. **Limits.** We may establish limits on the dollar amount and/or number of Items or deposits from time to time. If an Image of an Item has been transmitted to us or to any other bank, you will not allow the Item to be subsequently presented by any other means. If any Item is presented or deposited more than once, whether by Image or by any other means, we may, at our discretion, reject it or return it and charge it against your Account without prior notice to you. For any Image which you have transmitted, you shall be responsible for preventing the transmission of another Image of the Item or presentation of the Item by any other means. You acknowledge and agree that, while we normally provide notice of rejected deposits, we may reject any Check transmitted through the Service in our sole discretion without notice to you, and we will not be liable for any such rejection or failure to notify you of such rejection. If we reject a Check for remote deposit, you must physically deposit the original Check.
